

# CHÂTEAU CAMILLE GAUCHERAUD

DEPUIS 1880

## "Le Sans" Natural Wine 2020

Located in the town of Laruscade, north of Bordeaux, in the wine region of Blaye-Côtes de Bordeaux, the property benefits from a clay-gravelly-sandy terroir which extends over 33 hectares. The red wines from Château Camille Gaucheraud are produced on 29 hectares and come mainly from Merlot and Cabernet Sauvignon grape varieties which give suppleness, roundness and structure.

**Appellation** Blaye-Côtes de Bordeaux

**Color** Red

**Alcohol** 14%

**Soils** Clay-Gravel

**Age of the Vines** 30 years

**Surface Area** 29 hectares

**Grape Varieties** 100% Merlot

**Density** 4500 vines per hectare

**Keep** 3-5 years

**Vine Management** Disbudding, desuckering in the foot, reasoned pest management, high trellising, green harvest, leaf stripping.

**Wine Making** Maceration to fermentation in stainless steel vats for more than 1 month with careful temperature regulation. Aging in cement vats for 12 months. The entire aging process of this wine is carried out completely protected from the air. It is a natural wine with no added sulfites.

**Tasting Notes** Magnificent morello cherry color. The nose is delicate and subtle, with aromas of intense red fruits. The mouth is gourmand and crunchy with ripe and silky tannins.

**Serve With** To be enjoyed as an aperitif or with red meats and poultry.
